**Basic Sports Contest Rules**

Please note, Rules below are a brief guideline only and are not meant to be all inclusive. Each Contest has its own specific Policy Warranties, Terms and Conditions. Specific Warranties, Terms and Conditions are available upon request.

- Contestants must be chosen at random, the day of the event, and cannot transfer their opportunity to participate to anyone else.
- Amateur Participants only. Professionals and Semi Professionals are excluded from all sports contests **except** Hole In One Golf Contests.
- Standard equipment that is certified to a governing organization per the Policy Wordings must be used.
- Distances are very important. Venue distances may vary, so distances must be marked clearly at the distance specified on the Policy.
- All Sports Contests must be videotaped clearly, fully, and unedited. The film **must** be supplied to the Underwriter if there is a claim, and **will be** used as proof of loss.
- An Official Adjudicator / Witness must be appointed to verify that a winning attempt took place. This is typically (but doesn't have to be) a referee familiar with the sport.
- No Practice shots are allowed. One attempt only.
- All Warranties, Terms and Conditions on the Policy apply.

**Any deviation from the Rules above, or Policy Warranties, Terms or Conditions must be discussed with, and approved in writing by Prize Indemnity Underwriters Inc.**
